

allocated gifts by type

What the report shows: The total gift allocations in each month, broken down by type (regular, one-off, reclaimed tax and voucher).

What the chart shows: A visual representation of the total amount of gift allocations in each month, apportioned by type.

Date from/Date to: This report automatically shows gifts allocated for the last year, although you can review gift allocations from 1st January 2007. When inputting the date manually (without using the calendar), click view report twice.

regular, one-off, voucher

- (Select All)
- regular
- one-off
- voucher

Type: The report and graph automatically show each type of allocated gift. If you would like to view the gift allocations for a particular type then just un-tick the gifts you do not want to include in the report and chart.

General funds, Building Fund

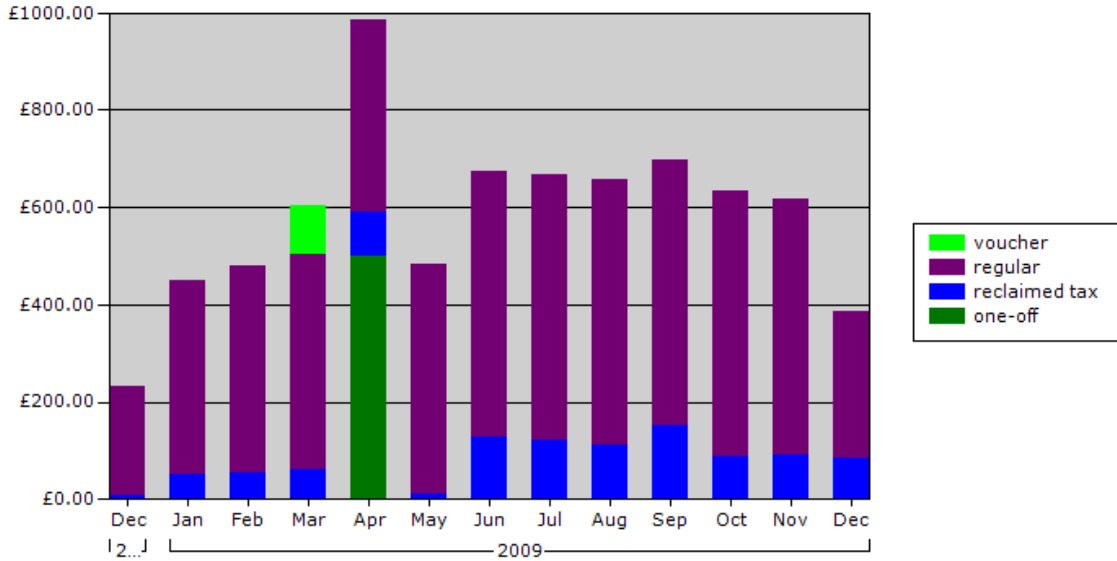

- (Select All)
- General funds
- Building Fund

Project: The report will automatically show the allocated gifts made to each project, however you can un-tick the projects you do not wish to see.

Report example:

allocated gifts by type
